PREMIUMSOFA

Dear guests,

good food tells stories – of places, people and special moments. On my **culinary journeys around the world**, I have gathered countless impressions, tastes and experiences that continue to inspire me. You will find them in our dishes - **reinterpreted in a modern way** and bearing my **personal signature**.

Together with my Sous Chef Christoph Schlomann and our 10-member kitchen team from **seven different countries**, we bring together aromas and influences from around the world. And perfectly suited to our show **“Disco”**, you can look forward to a cuisine full of **diversity, energy and joie de vivre** – inspired by the music, dance and artistry of our Wintergarten stage. The disco feeling begins on your plate.

Warmest regards,

Thomas Figovc

Thomas Figovc (Executive chef)

P.S.: My personal highlight of the show? When the first notes of **“Night Fever”** begin – then the disco feeling really comes alive.
